# Trainee Installer - Leicester

**Location: Leicester, United Kingdom | Full time**

## Your Challenge

We are looking to recruit a Trainee Installation Engineer to join our Field Operations Team team based in Leicester. Installation staff will undertake works on a wide range of ITS (intelligent transportation system) roadside equipment.

The role will predominantly be in the field working on Traffic Signals, VMS, EV charging and other roadside technology. **Our contract base is in the East Midlands area.** Customer service is key to delivery as well as ensuring that QHSSE regulations and procedures are followed at all times.

Although predominantly based in the Leicester area, there may be a requirement from time to time to work in other Service Centre districts which may involve overnight stays.

## Your Profile

### What we are looking for

In order to fulfil the role successfully the following are some of the key skills and experience required:

- GCSE in English & Maths.
- Basic electrical knowledge
- Understanding of traffic signal site installation and basic theory (phases / stages / detection).
- Good mechanical aptitude
- The ability to work on own as well as part of a team
- The ability to work at heights
- An organised and enthusiastic work ethic
- Full driving license
- Right to work in the UK

## Your Benefit

### What we offer

As well as providing a competitive salary and benefits package, Swarco actively runs employee opinion surveys as part of our drive to provide a comfortable and supportive working environment. We will support your development and you will also receive:

- 33 days holiday rising to 36 days including bank holidays, plus the option to buy an agreed number of days
- Your Birthday off
- Perkbox - employee benefits portal
- Employer pension contributions
