

Become part of our SWARCO team as

Engineer - St Albans

Location: St Albans, United Kingdom | Full time

Your Challenge

We are looking to recruit an enthusiastic and reliable **Engineer** to join our Field Engineering Services Team in **St Albans**.

What you will do

The main purpose of this role is to maintain Traffic Signal equipment to the customer's specifications and ensure contractual obligations, terms and conditions are met. Reporting to the Supervisor, a key responsibility of this role is to maintain and commission all aspects of the team portfolio. The successful applicant will represent the Company's best interests at all times, ensuring all routine and reactive work is carried out in line with contractual conditions. This role will also include assisting in maintaining Quality, Health & Safety and Environmental accreditations. You will be required to carry out maintenance works 24/7 (including standby) avoiding rebates. Knowledge of the contract, customer details and project scope is also important. There may be a requirement from time to time to work in other Company locations which may involve overnight stays.

Your Profile

In order to fulfill the role successfully the following are some of the key skills and experience required:

- GCSE's in English, Maths & Sciences (or equivalent)
- Sector 8 Accreditation
- A good understanding of traffic signal site installation and basic theory
- Knowledge of traffic controllers and equipment
- The ability to work alone as well as part of a team
- The ability to work at heights
- Basic electrical knowledge
- Organised, trustworthy and self-motivated
- Full driving licence.

Your Benefit

As well as providing a competitive salary and benefits package, we actively run employee opinion surveys as part of our drive to provide a comfortable and supportive working environment. We will support your development and you will also receive:

- 33 days holiday rising to 36 days inclusive of bank holidays + your birthday off. Also the option to buy an agreed number of days
- Company Vehicle
- Perkbox - employee benefits portal
- Generous employer pension contributions
- Employee Assistance Programme
- Life assurance up to 6x salary

Interested?

Apply Today! We will acknowledge receipt of your application and be in touch if you are successful.

Applications are shortlisted on a rolling basis, and we reserve the right to interview and appoint before any advertised closing date. We therefore, encourage you to apply at the earliest opportunity to avoid disappointment. Applications received after the closing date will not be processed.

We have a responsibility to ensure that all employees are eligible to live and work in the UK, therefore successful candidates must have the right to work in the UK by the start of their employment. We are an equal opportunities employer. Please note,

Should we require recruitment agency involvement, we will contact the agencies on our PSL, and we would ask that you respect the relationships we have already built with these suppliers. If an agency submits an unsolicited CV to any partner or employee of our company, you should be aware that they have no authority to enter into an arrangement with you.
