

Our SWARCO Group IT team is continuously growing - join us as

SAP Inhouse Consultant Logistics MM/PP (m/f/d)

Location: Wattens / Tyrol / Austria | Fulltime | Hybrid

Your Challenge

- End-to-End process consulting from design, conception, realization to implementation and documentation of SAP S/4 HANA logistics business processes in close coordination with cross-functional teams for the SWARCO Group
- Collaboration in international roll-out projects as well as ongoing (partial) project management in S/4 HANA projects to improve and expand our process landscape
- Coordination of external service providers and interface function between specialist departments and external service providers/third-party product providers
- Incident management for SAP logistics modules and integrated third-party products
- Global IT contact person for business key users and support requests
- Development and provision of training content for key users to ensure the effective use of SAP MM/PP processes

Your Profile

- Completed studies in (business) informatics, business administration or a comparable qualification
- Relevant professional experience as SAP / in-house consultant with in-depth knowledge of SAP MM and/or PP modules, ideally on SAP S/4 HANA (integration of S/4 HANA Product Compliance an advantage)
- Strong analytical and conceptual skills and an independent and solution-oriented way of working
- High customer and service orientation
- Very good comprehension and quick understanding of holistic contexts
- Flexibility and project-related travel
- Very good written and spoken German and English skills

Your Benefit

- **Attractive salary:** depending on experience; development opportunities within the SWARCO Group
- **Work-Life-Balance:** flexible working hours, home office, part-time options and additional vacation days
- **Training and development:** comprehensive onboarding program as well as various offers over the SWARCO Academy, individual trainings and job rotation possibility worldwide
- **Mobility:** free parking, good accessibility by public transport, electric cars for private use and bike leasing
- **Internationality:** collegial and multicultural environment with varied tasks in a successful group with family DNA
- **Health & fitness:** on-site massage and sports facilities as well as a well-equipped, ergonomic workplace in a modern office building
- **Social responsibility:** we live sustainability, find more information [here](#)
- **Food & drink:** meal allowance, use of a canteen, fruit, snacks, and various drinks for free
- **Company events:** Christmas party, company runs and much more
- **Further benefits:** with partner companies and sport events, recommendation program and appreciative gifts on special occasions

we offer a very attractive and performance-related salary, which is based on your qualifications and professional experience. This is significantly higher than the collective agreement for employees and apprentices in commercial enterprises.

The future begins today. Yours too?
