

Become part of our SWARCO team as

Field Service Engineer

Location: Field/Site Based, United Kingdom | Full time

Your Challenge

We are seeking dynamic and diligent individuals who can combine technical flair with excellent customer service skills to work as Service Technicians. APT Skidata has equipment installed in several customers' car parks and entertainment-based sites situated throughout the country.

As a Service Technician, you will install and configure our vehicle and people access solutions, ensuring that they operate to specification. In addition, providing reliable maintenance, repairs and class-leading customer service to our client base. This role will provide customer support for the products installed on sites based in and around **The South, Kent, London Area.**

Key Responsibilities

- Connect, commission and maintain SKIDATA equipment, IT hardware/software, Network devices, EV charging and other access control devices
- Provide accurate quotes to the Service team and identify chargeable calls
- Ensure that each job activity, its progress and completion status are accurately documented on company systems
- Correctly identify and order replacement parts and equipment.
- Maintain a personal inventory of parts, materials and consumables
- Escalate technical issues to Technical Services Team and work together to achieve resolution
- Complete customer hardware and software training remotely via Cornerstone software, on the job
- You will work in a specified geographic area but may need to travel nationally and stay overnight when required

Interested?

Apply Today! We will acknowledge receipt of your application and be in touch if you are successful.

Applications are shortlisted on a rolling basis, and we reserve the right to interview and appoint before any advertised closing date. We therefore, encourage you to apply at the earliest opportunity to avoid disappointment. Applications received after the closing date will not be processed.

We have a responsibility to ensure that all employees are eligible to live and work in the UK, therefore successful candidates must have the right to work in the UK by the start of their employment. We are an equal opportunities employer. Please note that Apt Skidata is unable to provide UK Visa Sponsorship.

Agencies, please note, that should we require recruitment agency involvement, we will contact the agencies on our PSL; we would ask that you respect the relationships we have already built with these suppliers. If an agency submits an unsolicited CV to any partner or employee of our company for a role we have not actively engaged with you on, you should be aware that they have no authority to enter into an arrangement with you and we will consider the CV a gift!. We will not be liable for any payment you charge in relation to it.
