

Become part of our SWARCO team as

Installer

Location: Leeds, United Kingdom | Full time

Your Challenge

We have a vacancy for an Installer to join our Field Engineering Services team based in Leeds.

What you will do

The role will be to install, refurbish and/or repair a variety of equipment, including traffic signaling and other electrical street equipment such as street lighting, CCTV and barrier systems etc. to customer specifications. The successful candidate will also take control of a work site and deliver tasks on time, undertaking a smooth handover to the customer. Customer service is key to delivery as well as ensuring that QHSSE regulations and procedures are followed at all times.

Although predominantly based in the South West area, there may be a requirement from time to time to work in other Service Centre districts which may involve overnight stays.

Your Profile

What we are looking for

In order to fulfil the role successfully the following are some of the key skills and experience required:

- GCSE's in English, Maths & Sciences (or equivalent)
- Sector 8 Accreditation (desirable, however, training will be provided)
- Basic electrical knowledge
- Understanding of traffic signal site installation and basic theory
- The ability to work on own as well as part of a team
- The ability to work at heights
- An organised and enthusiastic work ethic
- Full driving licence

Your Benefit

What we offer

As well as providing a competitive salary and benefits package, SWARCO actively runs employee opinion surveys as part of our drive to provide a comfortable and supportive working environment. We will support your development and you will also receive:

- Company Vehicle - with the option for private use
- 33 days holiday rising to 36 days inclusive of bank holidays, plus the option to buy an agreed number of days
- Your Birthday off
- Employee discounts portal
- Generous employer pension contributions
- Employee Assistance Programme
- Life assurance up to 6x salary
