

Be part of our SWARCO Team as

Managing Director Software Platforms (m/f/d)

Location: Berlin / Germany | Fulltime | Hybrid

Your Challenge

- You join the global ITS Leadership Team and work closely with the line managers to achieve strategic objectives
- **Define the Technology Strategy:** you take on an holistic entrepreneurial approach and our solutions to the next level
- **Lead our Teams:** you take full responsibility for all development teams, products and projects (who, when, how) and lead them to the next level of collaboration and maturity; you lead by example and have interest to the technical detail
- **Strive for Greatness:** you provide operational excellence by challenging the status quo, providing structure and following through
- **Act as Ambassador:** act as the forerunner and opinion leader in the field of SW solutions. Delight and Excite stakeholders

Your Profile

- 10+ years of work experience in the Software industry ideally for mission critical cloud-based offerings
- Experience in leading international teams
- Track record in delivering (large-scale / international) projects
- Bachelor in Computer Science, Business or a similar qualification with an affinity to technology
- Strong technical and method background (Certifications like SCRUM, IREB, ISAQB, ISO27001 are a plus)
- Experience in state-of-the-art technologies (e.g. Kubernetes, Angular, NoSQL Databases), Atlassian tools
- Excellent German and English written and spoken language skills
- Strong communicator and organizer
- Hands-on mentality, strong problem solving and management skills
- Know-how in the ITS Domain is a plus

Your Benefit

- **Attractive salary:** depending on experience; development opportunities within the SWARCO Group
- **Training and further education:** personal development through target agreements, performance evaluations, personal development plans, training and certifications
- **Internationality:** collegial and multicultural environment with varied tasks in a successful group with family DNA
- **Social responsibility:** sustainability is something we live by, read more [here](#)
- **Company events:** Christmas party, employee events, team building and much more
