- Co-operation with external service providers
- Responsible assumption of project tasks
- Ensuring the operational readiness of new technologies

Your Profile

- Qualified relevant training in the field of information technology
- Several years of professional experience in information technology (5+ years)
- Confident handling of Windows and Linux operating systems (server/clients) and Microsoft Office
- Expertise in data security and data protection
- Good knowledge and experience in AD administration / M365
- Experience with virtualisation environments
- Good written and spoken German and English skills

Your Benefit

- A strong team spirit and strong cohesion - confirmed by the last employee survey. Teamwork is at the centre of everything we do.
- Take advantage of our hybrid and flexible work organisation, which enables both on-site and mobile working, depending on the job
- SWARCO offers a secure job in a stable industry within an international group
- Benefit from customised training opportunities (internal and external in seminars or via learning platforms)
- Take advantage of 30 days' holiday and special leave, e.g. for marriages
- We offer a 15% contribution to the company pension scheme, as well as asset-forming benefits
- Your health is important to us: Benefit from (e-)bike leasing and a €160/year subsidy for health care and fitness programmes, e.g. via wellhub
- Our offer for your personal well-being includes free, unbureaucratic external counselling for professional, private or health-related issues
