

Become part of our SWARCO team as

# Inhouse Consultant SAP Logistics (MM/PP) SWARCO Group (m/f/d)

**Location: Wattens, Tirol, Austria | Full-time | Hybrid**

## Company Description

Traffic is our world. The products and systems of SWARCO make it safer, quicker and more comfortable. 5.500 mobility experts worldwide are working on traffic solutions for tomorrow and the day after tomorrow.

**SWARCO** | The Better Way. Every Day.

## Your Challenge

- End-to-End business process consulting for our subsidiaries with focus on the SAP Logistics Modules Material Management (MM), Production and Planning (PP)
- Active design, documentation, implementation and optimization of business processes in close coordination with the business units
- Ongoing project management/partial project management in international projects as well as roll-outs in the MM and PP module
- Global contact person for key users and support
- Planning and implementation of user training
- Coordination and cooperation with external service providers as well as interface function between the specialist departments and external service providers
- Think beyond borders to promote E2E processes with integration to sales and finance modules

## Your Profile

- Completed studies in computer science, business informatics, business administration or comparable
- Relevant professional experience in a similar position as SAP consultant or inhouse consultant with focus on SAP MM and/or PP (other logistics modules, especially WM, PM, QM are an advantage)
- Experience with an ERP system, ideally with SAP
- Practical knowledge of related SAP modules
- Experience in project management as well as high customer and service orientation
- Very good comprehension skills and quick understanding of holistic contexts
- Flexibility and project-related travel
- Very good German and English skills for international communication
- Communicative personality as well as high team, goal and solution orientation

## Your Benefits

- **Attractive salary:** depending on experience; development opportunities within the SWARCO Group
- **Work-Life-Balance:** flexible working hours, home office, part-time options and additional vacation days
- **Training and development:** comprehensive onboarding program as well as various offers over the SWARCO Academy, individual trainings and job rotation possibility worldwide
- **Mobility:** free parking, good accessibility by public transport, electric cars for private use and bike leasing
- **Internationality:** collegial and multicultural environment with varied tasks in a successful group with

family DNA

- **Health & fitness:** on-site massage and sports facilities as well as a well-equipped, ergonomic workplace in a modern office building
- **Social responsibility:** we live sustainability, find more information [here](#)
- **Food & drink:** meal allowance, use of a canteen, fruit, snacks, and various drinks for free
- **Company events:** Christmas party, company runs and much more
- **Further benefits:** with partner companies and sport events, recommendation program and appreciative gifts on special occasions

We offer a very attractive and performance-related salary, which is based on your qualifications and professional experience. This is significantly above the collective agreement for employees and apprentices in commercial enterprises.

Become a part of SWARCO. We look forward to receiving your comprehensive application via the online tool.
